**PETITIONING THE COURT**

To modify the conditions of supervision as follows:

- 27 You are prohibited from accessing the internet on any electronic device without an approved chaperone, except for access of GPS maps for work purposes. You shall be subject to polygraphs to monitor any unapproved internet access.

**CAUSE**

Jose Ventura has violated his sex offender treatment contract by viewing images on his cellular telephone that he has used for pornographic purposes. This information was disclosed by the defendant prior to submitting to a polygraph. The defendant understands he must work on his internal barriers to abstain from viewing materials for pornographic purposes. His treatment provided recommended modification of his internet access to address the issue and allow the defendant to continue in his treatment program. This officer concurs with the recommendation. The defendant agreed to have a chaperone when needing to access the internet, with the exception of using internet maps for his job, as he is a truck driver.

I declare under penalty of perjury that the foregoing is true and correct.
